

Minnesota Faith In Action

Thank you for your past support of the Minnesota Faith in Action Association. Your membership in the Association helps create a strong alliance that benefits each of us and enhances our visibility both locally and throughout the state. There is increasing demand for our services and increasing economic pressures to sustain our programs so there is a greater need for us to work together. Here are some things we are trying to do with you in building our capacities to serve:

- Increase awareness of MN FIA and our local programs in order to promote volunteerism, open up funding opportunities, help seniors and caregivers find the services they need.
- Assist MN FIA agencies with their marketing efforts.
- Promote 2012 FIA month.
- Publish a 2012 MN FIA Annual Report for presentation purposes.
- Support FIA programs who consider themselves at-risk for closing due to financial hardship.
- Provide tools and resources for FIA programs that will help them become more financially stable.
- Continuing to explore funding sources and/or partnerships that will facilitate funding for FIA programs.
- To actively engage our FIA programs in regional networking.
- To provide opportunities for programs to learn best practices and connect with other programs with the impact being to empower those organizations.

With **your** help we will continue making great strides in the upcoming year. Let's continue our momentum and strengthen our partnership between all the Minnesota faith-based agencies!

Since we know finances remain a concern for so many of you, we are very pleased to announce that we elected to not raise membership dues for the 6th straight year. If your program is facing financial stress that might prohibit your joining the Association, please contact Myra Horner or Jeff Fromm at the numbers below. Funds may be available to assist your program with membership dues.

Please consider joining us on this journey and together we will continue to build a better tomorrow for so many people throughout Minnesota. Thank you.

If you have any questions, please contact Myra Horner at 1-218-330-8155.
